“ Dear Carol, Charlie, and Susan,
I am so sorry to learn of the passing of your Mom! What a wonderful friend she was to my parents over the years. Those Farm Bureau friends were the best! Always there for support and prayers. It was delightful to see her lovely picture in the online Lutheran Home Society Newsletter of NWOHio earlier this year.
Blessings and Best Wishes,
Jim and Sally (Parnham) McRitchie

“ So very sorry for your loss. I have fond memories of your parents hosting the "Farm Bureau Council" meetings at their home. My parents always enjoyed those gatherings as well. "Gertie" always had a friendly smile and conversation when I would see her. Our prayers for your family.

“ Thank you, Sue for thinking of me. My deepest condolences to all of you. Having spent some time with her in late June; seeing her in pain, and listening to her say she was ready to go, I know that she is at peace. Gertie was long a very special lady to me. Along with being related, she was always a real sport and interested to know how I was doing. I always looked forward to seeing her whenever I was home and enjoyed dancing with her many times over the years. I don't see how I can get home for the funeral, but my thoughts are with all of you.

“ ..she was, for me...Mom Number 2. For years I spent far more time at the Kurtz Farm, under her supervision, than I did at my own home. I hear her voice....and oh...that laugh, to this very day...and the love, kindness, and wisdom that were hers....are now, and forever, a part of mine. Gertie...I shall remember and love you for the rest of my life. My love and profound sympathies to the entire family, with my gratitude to you all...for sharing your Mom with me.....Rand
