“ *Dear Jean: Words cannot express the devastation we feel here. Gary was a good man I always enjoyed our conversations when you two came out to visit and our lunches at the wind mill. He will be truly missed. I guess God had a reason for me to visit my brother when I did. I really enjoyed our visit to the hospital to see Gary and meet the pastor of your church. God has reasons for everything that happens and it is ours not to reason why. Never loose that faith you have and know that Lindy and Gary are having a good time. God bless Mike##imported-begin##Mike Ellis##imported-end##*
