“ *Irene and family: You certainly have our sympathy on the passing of Harold. I would say we are in an era where our immediate families get smaller all the time. My immediate family during recent years lost three family members within a period of 21 months. My mother Emilie, Brother Richard and Sister Loretta. The Gerken family always had great respect for you and the Arps family. Linda and I are coming home in two weeks from Arizona and we are sorry we are not able to pay our respects personally to you and wish you the Lord's blessing to your whole family. God's blessings to you.*
