“Helen was a longtime family friend, who worked in our family's store. She always made us delicious beautiful decorated birthday and special occasion cakes. She wrote to our parents for years after they moved to Florida, including lots of newspaper clippings with her letters. My sister and I had a nice long phone visit with her about three weeks before she passed away and she was as sweet as ever and full of fond memories. We'll miss her.

“So sorry we were unable to send our sympathy with you this morning. We can only say that having known you and worked with you has been such a pleasure. You are one of the best and you will be forever remembered. God speed Helen ❤️
