Chris and I shared our lives together for 8 years after high school and we experienced so many things together...so many. I have alot of good memories I will never forget. “ Dear Father, I ask you to welcome Chris into your home with open arms. I ask you to get to know him the way I did, so you can know his heart. I ask you to look into his eyes, so you can see the love that is inside him. He is a great treasure to many people's lives And will never be forgotten. My friendship/brotherhood with him has created some of the greatest memories and stories a person can have. Only the lucky ones get to have freinds like him in their lifetime. No matter how a man lives, He can be measured by the number of people who's lives he touched, and loved. That is how I know my friend is in heaven.....##imported-begin##Erin Walters##imported-end##
