“ To the Hopewell Family, I am very saddened to have recently learned of Stan's passing, he was my first platoon sergeant in the National Guard and I have many fond memories of him from that time. While we gave him a hard time often Stan was one of us and we loved having him in our midsts..I have not seen him since the 148th mobilized in 2001, but have often thought of him when I venture back to that time in my life.
