“ Dear Howell family-- I am the nurse at JM and have known Frank for the past 7 years. I want you to know how sad I am to have found out he passed away. He was truly a wonderful person who made my day when I would see him at the plant. I loved the cheer and goodwill he shared with everyone. As I'm sure you already know, he was loved by one and all at JM. I am honored to have known him and to have experienced his friendship. I'm sorry I didn't find out until today or I would've attended the services. I hope for the best for you all and know that there will always be an emptiness that only Frank could fill with his spirit and goodness. “ To the Howell Family, May each of you find comfort in knowing that God is near to those that are broken at heart; and those who are crushed in spirit he saves. (Psalm 34;18) He has promised to soon swallow up death forever...and wipe the tears from all faces. (Isaiah 25;8) Take care, Valerie Thompson

“ Frank is going to be missed but no longer in discomfort. It has been my pleasure to take care of him. I believe the closeness we shared was not only because of our similar personalities and sense of humor but because he reminded me alot of my dad. Sympathy and Love to all of the family, Tracy Martin
