We, Tracy Larsen & I always loved & enjoyed the nice calm wave Papa gave to us while on a boat ride w Bill @ the helm, boating calmly on the Maumee River, as we were on our River front lot. Our time spent being invited as family members at the family dinners w Papa always ready to help dishes following a beautiful meal, were nothing less than amazing. The meal was never started until all invited arrived had arrived then one of Papas daughters let us in a deep Christian prayer. A true testament of the teachings of Papa & Mama. He will be missed, w/out a doubt. Thank you Papa for giving us memories. Family friends, Brenda blunk & Tracy Larsen of Findlay.

“ My brother is a very kind and loving person. He is also very understanding and easy to talk to, especially when I have a problem. He loves us so much, and I can see how he takes care of me and our family. He is the only boy among all of my siblings, which is why we cherish him a lot. What I miss most about my brother is when he visits the Philippines because we can bond together with our other siblings and his family. He spends time with us, talking and asking how we are. We truly miss him when he is not here, and we love him very much, just as much as he loves us.
