“ The dental office of Dr. Poepelman and Dr. Michelakis is devastated to hear the heartbreaking news of Jackie's death. Jackie was a fabulous employee and a heart warming co-worker. She conscientiously and excellently performed all her dental duties in an expeditious and cheerful manner. Only God knows how many teeth she saved for so many grateful patients. May Jackie's family find peace in knowing she has blessed all those who had contact with her cheerful demeanor. She will be greatly missed by all.

“ Jackie was one of my favorite friends to be around in high school! She was hysterical - always loud and quick-witted. She was someone who was so easy to be around and truly fun to be with. Man - would we LAUGH! And she had the best laugh! If I close my eyes, I can hear it and see her lurching forward. She showed emotion with her body, whether flipping her hair, using her hands, or witnessing the twinkle in her eyes, you could always tell how Jackie was feeling. I'm sorry that I didn't get to spend more time with her. We were a better group of Napoleon high school students with her in our class, and she will forever be remembered as one of THE most energetic and fun-loving people around! God bless her spirit and her family and friends. Sending love and prayers from Michigan.
