She loved the kids, always had popsicles for them, and definitely loved your son and the kids' mom. She appreciated that he would always bring her a hamburger, her favorite. He would also bring her home if she was a little confused. They all watched out for her and we truly appreciate that.

Thank you, Carolyn. She had found memories of you too. Growing up, I thought you were both glamorous ladies, always dressed so beautifully. I know where my friend Pam gets it!
