“ Hey Jane, it's Em (your favorite sis, just kidding Sarah) Oh how we all miss you already, so many stories and memories I could share, but I know how you feel about your privacy, so I won't go there. I am so glad you are at peace, and with Mom and Grandma Hinds, they were and are your best friends. Please know that we will lovingly take care of the dogs, and know that we will never forget you and your knowledge of remembering details and facts, such an intelligent person. I will always cherish, love, and remember you.
