“ I remember she would drive the golf cart to my house and we would drive up town for an ice cream or some French fries, she loved ice cream and fries. She was a good person and a great friend. I will miss her. My love and prayers go out to Ted and the family. God be with each of you.

“ *Grandma,*

Ted always slipped up and called you my mom, and for good reason- you were like one to me. Going through your pictures, I see so many of the two of us together... I always said that camera flashing constantly was the reason I wore glasses, ha ha.

When we got back to your place today, we saw your hummingbird. It was like it was a sign that you are doing okay up there. We miss you so much.

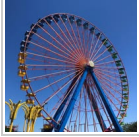

I promise to keep Ted in line for you.
