“ What joy Jeff must have felt when he entered the gates of Heaven. Whenever we would see each other I'd hear my name and we would catch up. And as he was driving past the house and I'd be outside, I'd hear a big Hi! Remembering when all the kids hung out in the neighborhood so many years ago. Many stories. Lol. Jeff will be missed. He was a blessing to all who were lucky to know him. Praying for all of you in the days ahead.

*Best big brother ever. He and brother Steve taught me how to drive a stick shift with a few off color jokes and comments thrown in. I put my first prom dress on lay away and when I went to pick it up, he had paid for it. We could talk about all kinds of things and we respected each others opinion. You will be missed big brother. I know you are with your beloved Sandy and all the ones we love that have gone before. Stay safe in God's loving arms till we meet again. Your loving sister, Becky*
