“ Jeff was such a nice person we've know him for several years and he had such a great personality and was always so kind to us over the years always thoughtful we got to play golf with him a few years back and I gave him a sleeve of new golf balls we were playing at Myrtle beach national golf club in Myrtle beach and he had his first hole in one on a par 3 and immediately called his son and told him ☐. I was so happy for jeff and over the years and renting condos from him we became good friends . He will be sorely missed by his family and friends and may god look over his family at the time when words can't express how we feel for his family ☐

“ Our most heartfelt sorrow is felt for your family with the passing of Jeff. We are forever grateful for the opportunity to share your condo in Cancun with you. Thanks to Jeff for opening up our experience of riding on the "construction workers" bus on our way to the evenings entertainment. What a couple of really great people. God Bless you.
