“ Litteral and Rettig families,
I met Jen during my freshman year at OPSU. After she graduated
and moved back to Ohio, I had the privilege of reconnecting with her
through Facebook and I was always so encouraged by her positive
outlook on life and how well she loved her family and those little
lambs. I'm so sorry for your loss and pray that God will comfort you
all as only he can in the coming days. I thank God that he allowed
our paths to cross.

“ I'm so sorry for your loss. Jennifer was such a special person. I remember her helping my little sister every morning at Franklin, and she was always one of my dad's favorite students. She was so supportive of my family when our dad passed-sharing funny stories about Mr. Gilkey.
My thoughts and prayers are with all of you.

“ I am so sad to hear of the loss of Jenn. My sincerest condolences to her family.

Jenn and I met our freshman year at OPSU at the dorms and we worked on the school farm together. She had a fierce love for lambs and John Deere tractors and we shared a love of George Strait. We lived together our sophomore year of school but lost touch after school until Facebook reunited us.

I'll be praying for her family is this sad time.

“ Oh, how saddened I am to hear of Jen's passing. I met her when she was in our high school marching band. She was one of my favorite students, and we still kept in touch throughout the years. How happy I was when she named her daughter Audrey, because that is my mother's name. Prayers to you, Jennifer Juniper. I shall miss you.

“ Dear Dan, Audrey, Chuck and Gloria,
We are very saddened by the unexpected loss of Jen. We will always remember her generous heart and love of sheep, and will forever be grateful for the showman she taught Kennedi to be and all of her knowledge she shared with us. We would also like to thank you for your kindness and generosity at the shows this past season. Although our hearts are heavy here, we believe she is now happily loving up lambs in the greenest most beautiful of pastures and knows sorrow no more. We will continue to keep you all in our thoughts and prayers.

“ Mom, Amy and I are praying for your family during this difficult time. Been reflecting on all the happy memories of Jen. I am thankful for our time at 4-H camps when she used to always come by and hug me goodnight or the sweet notes she would leave under the pillows. I will miss her infectious smile, laughter, love of sheep, being crowned 4-H Queen, getting married and seeing her at the fairgrounds. I loved her like a sister and she will be greatly missed. Countless hours of laughter around campfires, dinners, card game and dominos. Roller skating, Christmas shopping, lambing season, bacon, chocolate and donuts. Her smile, her laugh and her love of the sheep industry. We only knew her for 3 short years, but made soooo many memories together. These memories are the Jen that we love and miss terribly.
