“ *Pastor Jim helped heal our family, after the loss of Jeff. We were overcome and, he was there for us. Pastor Jim has influenced the lives of so many people. He will be sorely missed in our lives, especially Tessa. She adored Pastor Jim. His contagious smile, his wit and humor will be sorely missed. Pastor Jim lives on through all the lives he influenced. What a wonderful legacy he has given us. Peace be with Carol and her family. Rest easy Pastor Jim, rest easy. Your faithful parishioner. Mary Eickhoff*

“ PastorJim meant so much to the Archer family. He married David and Mendy, baptized the children, officiated at my parents funerals, held my hand in the hospital many times. He held me up when bad news came but always encouraged me to trust God. He led by example. My memories are many, but the biggest one will always be his kindness, and his humbleness. Thank you Pastor for touching so many.

“ *What a Great Human being. He always saw the good in people and projected that into the world. He made you feel good about yourself and never expected anything in return. It was a privileged to share what time I did with him! He will definitely be missed!*

“ Pastor Castello, Seriously, I remember the laughter we shared over the years...especially during those really terrific church council meetings. You would say, STOP! I would just giggle more. Yes. that was wrong. Definitely wrong. Our many conversations, your messages have lead me deeper in faith. Thank you. You shared wise words and comfort at my lowest of lows and lifted our family with His Grace. Every home visit was greeted with an offer of Zumba, Yoga or basic training. You would laugh. Jay and I love you and Carol as dear friends. So my dear friend Carol. There are no words. There are memories to be treasured. Trusting His Care. Peace to you and your family at this most difficult time.

“ *What a great picture! Had trouble picturing a beard but it looked good on him! Always that look of mischief though. So sad for all of you, words never sufficient. Will never forget the years we had with Pastor and all of you at Emanuel. He was just always there and that was enough. Knew from the first time I met him and" his wife Carol " in our call committee interview that THEY WERE IT! and I never changed my mind on that. We never had deep conversations but I always felt he knew me. And we shared the favorite color orange ! A lot happened in our family over the years we shared and Pastor was always there in his "so real" way! He frustrated the heck out of me when I'd ask " how are you" and he'd say "not as good as you" and I'd think We may be in trouble here! (Smiley face) But we can all be sure today he's better off than all of us as he now knows EVERYTHING! True Joy!!!*
