“ Aunt Jo was always my favorite aunt. So full of joy, life and sass. She was a one of a kind. Always there for her sister(our mom) when we needed anything. So Thankful that recently while Gary was putting in a shower for her that I was blessed to spend a lot of weekends reconnecting with her; so many childhood memories connected to her and her family. You will be surely missed Aunt Jo. Sending my thoughts and prayers for my cousins and their families as they navigate this difficult time. Love you guys Lori
