“ Vicki, Sandy, Steve, Doug, Rodney, and entire Miller family: Please know you have our deepest sympathy in the loss of your mom & grandmother. We share in your sorrow and rejoice in your joy knowing she is now with your dad/grandpa and in heaven where she once again has her memory. Vickie, I know you and I spoke a great deal at the craft show about our parents with your mom having Alzheimer's just as my dad did for many yrs. before he passed a just a few yrs. ago. It is so hard watching someone go through that knowing all they were before this disease took over and I remember your mom as such a wonderfully sweet person when I would always see her working at the Legion for many yrs., always a smile on her face. That shows now in her family!

When a family has a dear loved one that is hit with Alzheimer's as both your family and ours was, with the changes we see in them, it's like we mourn the loss of them and who they were before a little each day. When they leave us to go home to Heaven, it saddens us as we won't have them here with us anymore, but we also know they are once again whole and well with God. With God AND your dad.

We wish God's Mercy and Love on you and your entire family, as you say not goodbye, but till we meet again someday to your mom today.

*In Christian Love and Sympathy,
Carl, Pam, Andre, & Alex Hurst*
