“ Dear Dean and Family- When my sister Ann told me of Joann’s passing, this verse came to mind: “... and when the bird, free of its cage seeks the Heights, so the Christian Soul, in death, flies Home to God”. Then I thought of what a blessed reunion with her Mom! Love,Peace, Eternal Joy! Martha Downey McBennett

Was blessed to be able to run into her at DG in the card isle the first of October and we talked for at least a half hour just catching up!! She, as always, was her happy energetic being! “ Dean and family I am so sorry for your loss. I had just seen Joann in Walmart and we had a nice conversation catching up . She was talking about all her grandkids and their sports activities and how she loved cooking for them and taking care of everyone. We talked about this damn covid and how we are so sick of it but I remember her saying I’ll wear the damn mask so I can see my grandkids play! I am in disbelief and so sorry for your loss. “ I am so sorry for your loss. JoAnn was the best Grandma, many memories of her bringing her grandchildren to preschool, she loved the times they shared and made each grandchild always feel like they were her favorite. She would often share ideas and crafts, a strong Christian woman who loved her Lord. We saw each other at our grandchildren's school and sports events, she never seemed to miss anything they were in. I cannot imagine how much you must miss her smile and hugs. May the good memories you all have bring you comfort. God bless you all during the tough days ahead ,..
