“ *Ruth & Girls,
Joe received that terrible diagnosis at such an early age. I am SO glad you chose to have those 2 beautiful girls, Ruth. They have been such a blessing to both you and Joe. And such wonderful girls. Girls I hope you remember your Father for his wit that was a big part of him, but may have been a little less so as the Parkinsons' took it's toll. And remember his spunk and fortitude in dealing with so severe a disease for so long. He may not have been religious because that gift was not given in his youth, but God has been with him all his life and your Love has been his gift from God. God will now reward him for his long suffering. Hold on to all your good memories. With All My Love,
Linda Bennett*
