“ *What a shock to learn of John's death last month. We are planning a trip to Branson and John was always the first one I wanted to see and hear. What a guy!! Our trip will not be the same without him to entertain us. Thank goodness we have his CD's to continue to hear his voice. He was truly an entertainer and a warm and loving person. So glad he was reunited with his birth family. That meant so much to him. Thank you to Jim and Janet for raising such an outstanding man! My heartfelt sympathy goes out to each and every one of you!*

“ Our hearts are broken with the loss of John. He was an outstanding young man with an awesome voice and personality. We heard him sing many times in Texas and Branson. He always had a hug and big smile. We will miss him so much. A friend shared with me she had heard it told why some people die so young. The prettiest flower is always picked first. In John's case, God picked the best first. Thank you for sharing him with the rest of us. May God's love and peace surround you at this very difficult time.

“ Met John in Aug. 2017 at the LeMars, Iowa County Fair. What a great guy & terrific entertainer. Felt like you had known him for years. He got me through 2016 with his music, as I was going through breast cancer, & thanks to my sister, she got his Cd's for me & he personally sighed them for me telling me to get well soon, and I did! He will be very much missed. I was so looking forward to seeing him again at next year's fair. Such fun to talk to. I play his CD's everyday. RIP John!

“ *We are a group of women from across Missouri who met John about 5 years ago at Mel's Hard Luck Diner. Next week will be our 13th year of getting together and Mel's will not be the same for us. We were fortunate the first year to be seated in John's section. He is a great entertainer and knows how to work the crowd, especially a group of "mature" women like ourselves but he was always a gentleman. Each year when we got to Branson we would call Mel's to make sure we didn't miss John. Last year he sang a tribute to one of the group who passed away in 2016. We will be there this year to somehow celebrate John. He will be truly missed by our group. Hope he and our friend Sue will be up there looking down on us as we try to make it through lunch while shedding some tears. Rest in peace John and Sue and God Bless your family ad friends. “ *It was 2 years ago that Gerald and I last saw John in Branson. We laughed and talked about the many good times we shared around our kitchen table in Deshler in the 70's and 80's. At that time he and Jeff were inseperable and what a joy it was to see the true friendship they shared. John was family. We first met when he was about 6 years old and it was love at first sight. He was already an entertainer - he needed no training - he had a gift from God no one can learn. Oh how we enjoyed him and I know he has a special place in the hearts of many others. His presence will always be felt and the love he gave will never depart from us. Now as his family and friends remember the happy times they shared with him it is my prayer that tears will eventually give way to smiles knowing he is in the arms of our loving God. You will never be forgotten John. God Bless you Jim and Janet with peace at this time. You did a bang up job in raising him.*

“ *I have been a fan of Johns for a long time. We visited on messenger about adoption AS we also have adopted ones in our family. He so loved you and loved his birth family. WE also talked about cancer as my daughter and I both went through it. I am from Idaho, and the first thing we did when we were planning a trip to Branson was to find out where he would be singing. We loved his voice, his smile, and most of all his sweetness. He made everyone feel special always. That was his gift from God I think. Branson will never be quite the same without him. Love to you all.*

In front of the stage, 4 other and John formed a circle around me and said a healing prayer. This was so uplifting and caring. John then gave his amazing songs that just wowed everyone as usual. Oh my, so much that could be said but how to say any thing. To know John was to love him. He had so much love in him that it showed in all of his music. He could make you laugh or cry. His love for his adoptive family was so evident by the way he talked about his family and in photos. When he met his biological family, he shared all of that with his fans as well. Love just poured out from John and his voice was one of the best I've ever heard. I have 8 of his CDs and his 9th was just being made. I wish I had it as well. I extend my sincere sympathy to both of John's families, as I know they will miss that wonderful man and his smile. I am heartbroken. My love to all.

We all sat and started talking while John and my husband and others did karaoke. By the end of the evening, we were close friends and that never changed in all these years. He made me laugh, cry, think and feel so many things. His Sagerisms were one of the highlights of my day. He sang like an angel and was there for anyone who needed him. He was always up for a joke or a harmless prank. I remember when he found his birth family and he decided to bring them into his world and ours.*

“ Thank you, John, for accepting and loving everyone you met...and for being that “special someone” that impacted the lives of so many!!

In 2010, God blessed me with your friendship at Mel's. From that time, our friendship grew. John, you were one of the “good guys” and that is because of the firm foundation, guidance and love, your parents gave you!! A few weeks ago, I told you that “Humble and Kind” had become my new favorite song. You told me that I should thank your mom as she was on you to record it. (Thank you Janet, for staying on John to record this beautiful gift he left us.) John, the lyrics speak everything you were... such a humble and kind man! You were a true gentleman with manners and a HUGE caring and giving heart! God blessed you greatly! I will miss those qualities about you along with your quick wit, charm, musical talent, love for life and your never ending love for your God and your family. I will miss that contagious smile, our talks, our dinners together, our religious discussions, your many selfies and posts on Facebook, along with my road trips to Branson and Le Mars to see you. All these qualities, along with your big hugs and Luv ya's, made you that special and irreplaceable friend that you have been to me. When you see Tyler, please give him one of your BIG hugs from me and let him know that his his momma loves and misses him so very much!!

John sung a song to my wife, she loved it and we became good friends with him.

He will be greatly missed and we send our thoughts and prayers to John's family.

“ *So many vivid memories have flooded my mind; many great, and many just "stupid". John and I spent almost every day together in some way from like 4th grade through high school. I feel bad that we didn't stay in touch as often as we should as each of us was moving through different phases in life, me with family and new kids, John with a new career. However, whenever we talked it was as if we never stopped everyday & having the most ridiculous conversations you ever heard, but also the deepest & most important talks about faith in Christ & life in general. John is a light in this world with his personality & friendship to so many. His legacy will live on with me and my family.*

“ My wife and I first met John in Branson few years where he was a singing waiter at the Hard Luck Cafe..he waited on us and sang to us and friends...since then we tried to catch him at one of the RV parks here in the Valley, where he entertained and was loved by our Winter Texans. We have many of his CDs and will miss him terribly. He was a once in a lifetime rare talent who left us too soon and heartbroken...

“ John, you are a great friend and brother in Christ. I will miss your friendship and hanging out as we did in the past while I lived in Branson Missouri. I will never forget the first time I met you at Mel's Diner in Branson and realized you was from Ohio too and just down the road from my hometown of Toledo. I appreciate all the talks, fun times and everything you did for me. I am saddened to not have had the opportunity to talk to you in the recent past after I moved back to Ohio. I will forever cherish our friendship and will see you again one day in Heaven. I could only imagine how beautiful Heaven must be and you singing in that Heavenly choir. I love you my friend.

So that being said we all would have our say to each other and still got along. And then there were a lot of short Jokes that we tormented John with. You will be missed ole buddy! “ *In 1981, our Deshler baseball team played a championship game against an undefeated team. We kept the score close until, in the middle of the game, the shortest player on our our team, John, came to the plate with the bases loaded... and with amazing composure, promptly smashed a home run down the right field line.*

As kids, it inspired us and excited us greatly, and we ended up winning that game against all odds... but more than anything, I will always remember John running over home plate after his home run with that HUGE smile upon his freckled face, that will be missed by so many... RIP

“ There are no words that can make this pain go away, I am so happy I was able to grow up with John and be one of his friends through our lives together.

John and I got in much mischief as young kids, and as teens we matured and were able to sing together at many weddings. I am so glad I was able to have those memories with him. John you will forever be my close friend and I will miss you until we meet again. When I see you in heaven I better get my kiss in the teepee! Jim, Janet, Steve and Susan you hold a special place in my heart. I pray for all of you in these next days, months and years that will come and go with out him. He will always be there, look in your heart he planted the most precious seed its love and memories. They will never go away and no one can take them from you. I am so sorry to hear of John's passing. He was a great friend to all of us Red Hat Ladies who saw him in Indiana. He was such a sweetheart and we all loved him as a friend. He was a great singer. I am so grateful that he found his birth mother and siblings. He was so happy to share his stories with us about his family. He was very blessed. God bless all of you.

“ I met John in 2010 and we quickly became and remained good friends. He was my light when my niece and later my mother were dying. He always knew how to make me smile again. I just saw him again in July when he played a fair in Iowa. He looked and acted great. He sang his heart out at the fair. He brought Chewy with him so another friend and I kept an eye on him for John. The pup is a sweetheart just like his daddy. I'm happy to know Chewy will be remaining with family. He will remain a living part of John. I know without a doubt that John has been chosen for a very special purpose in Heaven. Janet and Jim - he was the chosen one when you chose him to raise as your son. Now God has chosen him for a very important assignment. Families are forever and you will be together again. He loves you with all of his heart. He loved his whole family.

“ *My Family and I met John about 6 years ago when walked in to Mel's diner. His smile, personality and voice caught us all right away. Mom was smitten with him and bought all of his cds and has her picture with him on her mantle with all the family pictures. We are so saddened and shocked by his passing .We loved John and he made us smile and laugh.I was friends with him on facebook and he always gave us a hug when we came in every year. I sent him cards and presents every year since we met him for Christmas and his birthday.He told me he keeps everything fans give him. I am glad we have so many pictures of him, have the memories, and have everyone of his cds, Mom does, I do too. It will never be the same going to Branson now.My favorite song of his is One Pair of Hands. Everything he sings was so beautiful. I'm trying not to cry now, I'm still in shock and we forever miss him. God must of needed a Angel in Heaven to sing for him. It just doesn't make sense. I was rejected by my birth mother. I am also glad his recently spend time with his sisters and the trip to Quebec with his mother. Women loved John but so did my husband. When John saw him walk into a concert, he knew he would have to sing the trilogy. I am so glad I have all his cd's. we listen to him all the way on our 1400 mile trip to Texas. We are so sad we won't get to attend several concerts there this year. He was so young to go but he had such a strong faith I know he is in God's loving hands.*

Dear Jim, Janet and family, We met John in Branson at Mel's. I told him I was from a little town in northwest OH. That huge smile shone brightly as he said, "Deshler." He asked my name and I told him. With no hesitation he said, Anna's father or uncle?" Many years ago, Jim told me they were getting a baby from Ontario, Canada. I asked if he spoke French. Jim said he doesn't speak anything yet. What a loss for all of us. He will be remembered as a humble, compassionate, wonderful person, and will be sadly missed. Our hearts and prayers are with you and your family.
