“ Some of my best teen memories are of Roger, Victor and Dennis and the Johnson farm and family reunion. My folks Charlie and Vickie Salvo would take me to McCulre for a week or so in the summer and I was a farm boy for a week. It is hard when good people are taken from this world, because it seems that ther not enough to take thier place.Roger is in a better place and he will watch over his family from above.

“ Mrs Johnson: I met Roger in 1991 while I was hunting with Mike Plotts, Jr. & friends. In all the years I've known him..he's never changed...truly walked with God in all his endeavors..whether his business dealings or with his friends. Roger never knew a stranger and he was an inspirational man that showed everyone that life is what you make of it. Our hearts will hold his memory forever...he will never be forgotten. I've never met you..but to know Roger and hear him talk about you...and the sparkle in his eyes...I'm sure you're as awesome as he was. You have our deepest sympathy..and I know without a doubt...he is setting at the right hand of the father with our savior Jesus Christ. May his memories make you smile, laugh out loud, and give you the strength to live life as he would want you to. You will be in our prayers.##imported-begin##Sherry & Dean Cravens##imported-end##

“ He was a boss, he was a friend, he was like a second father to me and my son. The ten plus years my son and I worked for Roger were some of the funniest times. I remember playing jokes on the delivery guys and a few customers or setting around the wood stove and talking, there was never a dull moment. I will always be grateful for that.##imported-begin##Scott##imported-end##
