“ Heather, so sorry to hear of your tragic loss. I didn't have the opportunity to work with you long at Four County but I'm sure if I had I would have heard many wonderful stories about your son. I pray those stories and memories will help you through this time. May the peace of God surround you and your family. Deepest sympathy, Tante Lovins

“ *Dear family,
My heart continues to break because of the loss of Jon. I was his 8th grade language arts teacher. He was bright and funny and a great writer. He never wanted me to give him attention about his writing in front of his classmates. I mourn for who he was and who he might have been. He had a beautiful soul and I know he is in the arms of the Lord and we will see him again. I will always see his wonderful eyes and his contagious smile in my mind's eye. With my sympathy, Jamie Bostelman*

“ Jon, you always made the bad days better, just a couple days ago we sat at the park and talked for awhile, if I would have known is was going to be our last chat I would have talked longer. You always put a smile on peoples faces, you were truly an amazing person. Your going to be missed dearly

“ *I remember when I sang at the talent show and you told me that I was an amazing singer. At that time I was scared because I thought I did bad. But when you told me that I was an amazing singer, you made me want to sing more. So I didn't give up all because of you. Rest in heaven. God gained a wonderful angel!*
