“ Julie & family, so sorry about your mom. I loved her & we always had so much fun together. We used to go to Taco Bell & got this drink they had & we always called it our special drinky winky. I know it sounds weird but we always laughed about it. Also we always had so much fun at bingo, laughed a lot. I will miss her dearly

“ *My thoughts and prayers go out to all of you and your families! Julie, Eric and Michelle, I have wonderful memories of your mom while growing up in the same neighborhood. Our phone number was only 1 number off! I remember coming to your house on fog and snow delays and cancellations. I had instant oatmeal at your house for the first time! She was always smiling and made me feel like part of your family! I know she will be greatly missed.
Love you all, Esther (Nash) Stuber*

“ Aunt Jude, as I fondly called her, was an amazing presence in my life. From the time I was a little girl and well into my adult years, she made me laugh, smile, cry (from laughter) and never let me leave without a kiss and without saying... "I love you Kelly Jean. You are so pretty Baby Girl." Lol. She had this giggle...the kind of giggle that made you smile. I remember these card houses that she would build on her dining room table. As a young girl I would stand in disbelief of how they would almost touch the ceiling. She would sit with us kids and color in coloring books! I have a crocheted blanket for the birth of my kids and for the birth of each of my grandkids. When I was in a car accident several years ago...she and my Aunt Pat came to visit me...with a blanket! I will cherish these forever. They were a labor of love ❤️. My heart aches for her. I would give anything to hug her and tell her one last time how much I love her. This world will not be the same without her but I know she is dancing in Heaven with Jesus! I love you Aunt Jude! I am not saying goodbye but just...I will see you later.
