Today, I was thinking about my old neighborhood in Canton, Michigan and wondering about all the amazing kids I babysat for while in High School. I decided to look and see if any of them were on Facebook. I have such fond memories of Julie and Amy, and I am heartbroken to hear of Julie's passing. She was always a joy... sensitive but spunky and she made me laugh. She was protective of Amy and truly adored her parents. I will never forget her sweet, smiling face. I am sending Love to Jim, Cricket, Amy and her family, and extra Love and Hugs to Julie's husband and children. I know that Julie was always a bright light.... she will never be forgotten.
