“ My sincere sympathies to the family of Kay. I was her neighbor on West Clinton for many years. We shared many hours on my porch swing & many secrets & hours of chatting. Her children were very special to her & to me. Cathy was our treasured babysitter. And always great to share a beverage with Steve when he came home. Kay was a dear friend, and a wonderful neighbor. Love to the family & prayers to carry you through.

“ McColley family,

*These are difficult times...losing a parent. I really enjoyed visiting with Kay. It was obvious how proud of her whole family she was. She would update me with pictures of her great grandchildren and tell me stories about them. She was a quiet and gentle lady. Take care as you move through your grief.*

*I always enjoyed talking with Kay at the Probate Court office. We remained friends after she retired, although we did not have the opportunity to see each other very often.*

*My sincerest sympathies to the children, grandchildren and great grandchildren.*
