Tribute Wall

“ I did not see you close your eyes or hear your last sigh. I only heard that you were gone, too late to say goodbye. You may be gone from my sight but always watching me from above, like a kite in the sky. At times it may be a lil spooky, but I'll always remember you Grammy, I'll always be your Tookie.

How lucky I am to have had someone that makes saying goodbye so hard. My memories sneak out of my eyes and roll down my cheeks. — Donovan Moses (age 9).
