“ I would like to extend my deepest sympathy to all of Kayla's family. I met her as my massage therapist. She was also a great friend. She was one of the kindest, funniest, and most humble person I knew. I used to bake her things and take her sour patch candy. She will be missed. Prayers!!

“ Kayla always had a smile we both worked at Henry county hospital. When it was her birthday a few of us decorated her door at massage. She was so delighted. She was a breath of fresh air. And so delighted to leave the hospital to work at Fry chiropractic. R.I.H. Kayla. Soar high

Kayla was always a happy gal. No matter her troubles, she managed to keep the smile and shining bright. All times we spoke about her Rosie cat. She was a wonderful person to work with at HCH! Her delight and triumph finally losing that stubborn weight as she called it! All the times she went over and beyond to help anyone - it was her call and passion. All the talks I'm going to miss so dearly Kayla! RIP, and know that you were oh so loved and did so good!
