“ Dear Kids,
I'm so sorry to read of Dads passing. I have lots of good memories of both Mom & Dad and the store (vol-o-milk I saved to get one on way home from getting the mail).
My Dad & Mom and card games.
I even babysat for Vicki (loved your house so much).
Certain Mom was waiting for him and my Dad had the cards ready.
Much love and prayers.

“ Ken gave me my FIRST job when I worked for him in the grocery store in Malinta. Even though I married, joined the Air Force and lived many places, we have always seemed to stay in touch. I spent many hours on the phone with him the past couple of years and he shared his many wonderful stories of living so long. One thing that always came up, regularly, was his LOVE FOR ROSIE. There was never a call that didn't have a story of Rosie in it. He was very proud of his family and how well they were caring for him after loosing her. Winiferd and I will miss our phone visits but we have some wonderful times to remember. John and Winiferd Russell
