“ I remember Kim always being there to hang out with us younger kids when we went over to Conklin's house and was always good company. I remember one stretch in particular when my ex Jenna and I would go over to thier house every evening and play euchre with Paul and whoever was there and if no one else was, she'd be there to play. It was such a good time playing cards with her and Paul and always listening to the Dierks Bentley cd lol. She will be missed!!
