“ Sharon, Mike and Brad my prayers are with you all during this time as always as usual. Uncle Jr. was and always will be very special to me. My childhood memories with him are so many but a few to share are the Shaggy Dog story, wisher washer fluid, his twinkling, smiling eyes, his patience with me when I had extra parts left over from the motor he let me take apart and put back together and nicknaming me haus. Never knew why but that is what he always called me. Love to you all###imported-begin###Lindy Chastain###imported-end##
