“ To the entire Lane family I send my sincere condolences. I knew Mel only a short time as his Hospitality Ambassador at BCRC but became a friend to him immediately. He was so interesting to talk to and such a HUGE Detroit Tigers fan as I am myself! We had so many colorful :) conversations regarding the team. I will miss him very much. I am so very sorry for our loss. God Bless you all.##imported-begin##Andrea Hartung##imported-end##

“ I worked with Mel for 9 years at Napco Products and 4 years at Power & Sons in the maintenance department. He was a great man to work with, funny, and highly intelligent. He was always telling jokes and making our day a little better. I happened to run into Mel and his Dad at WalMart a few days ago. We had lost touch with each other for the past 8 or so years, so we were very glad to be able to re-connect. I had planned on going to see him this week so we could catch up on old times. I was greatly saddened to hear the news of his passing. Please accept my condolences. I will always remember his sense of humor and what a wonderful friend he was.##imported-begin##Glen Spurlock##imported-end##
