“ *I tried this once and i dont think i did it right so im trying again. My family, ( the martins) and the hall family go back for years. I was fond of all of them. My mother was their neighbor for a few years as well and she was fond of them as well. They were good people and Larry would mow mothers grass when he mowed his own. Often we would sit on the pinic table or the porch and have a cold one. My condolences go out to the family as well as my prayers as you face this loss. Im so sorry. God however, has chosen to bring another angel home and i bet Larry and my mother are talking about those blasted roots in the yard. ( that is if they can get a word in edgewise with papa there also). Rest in peace Larry. Luv ya*
