“ Hi Folks, It is with sincere sadness I write this. We love you as we love our own family, because you have become such a special part of our lives, and its so heartbreaking to share with you in your loss. We can only pray that our Lord will sustain you in your grief. There is no doubt, that Pat loved her Lord, and served Him with such zeal and devotion, that was expressed in her service to her family, friends, church, and beloved Eastern Star. Our greatest comfort, is knowing that Pat is with Him in that mansion, that He has prepared for us. God Bless You!!###imported-begin##Joe & Shirley###imported-end##

“ Trish was a very influential person in all of our lifes. She showed us that security can be achieved at any time. I will never forget Trish asking me to ride my bike to Wally's to get eggs because she was out and very mad at Al. They were having words when I got back and she threw the eggs all over the kitchen floor. All her and I could do was laugh and we always laughed about it since. You will be sadly missed Trish. We love you!##imported-begin##Dorsey And Telia Dargartz And Family##imported-end##

“ Aunt Trish was one of the most beautiful people I knew, inside and out. She brought laughter to me on many occassions. We always knew we could count on her to be there when we needed her. She made the most beautiful bouquets for my wedding. We are so very grateful to have had a woman of so many values in our lives. Sadly we can't make it, but just know that she is forever in our hearts.##imported-begin##Chris, Jessica And Makyiah Hostettler##imported-end##
