“ I didn't know Mr. Leon Weeks well, but he often thought of Janet . He always ask me when I saw him if I am happy . I ask how he is. He stated, "it's going.". He will be miss by the residents who remember more than me. I will remember him fondly . Our short chats in the elevator. Patricia Orzechowski

“ Leon and I used to entertain the residents where we lived by playing guitar and singing. I was sad one day because Leon couldn't play his guitar anymore because of arthritis. I really miss those days and I am really going to miss Leon.
May you Rest In Peace my dear friend ☐
