

## Lloyd "Altie" Altman

December 29, 1949 - August 7, 2020

Lloyd "Altie" Altman, 70 of Napoleon, Ohio died peacefully on Friday, August 7, 2020, surrounded by his loving family. He was born on December 29, 1949 in Wauseon, Ohio to the late Floyd and Patricia (Brown) Altman.

Lloyd will be remembered as the life of the party!! He was active with his group home and loved many of the activities they attended. When he was younger, he could often be found at the Napoleon power plant or water treatment plant running errands for the guys, which to him... made him an honorary employee. He was just deputized by Henry County Sherriff, Mike Bodenbender and given a badge. Lloyd had helped the Sherriff's Auxiliary for many years. He was a participant in the Special Olympics and was an avid bowler. He was a member of the River City Rodders and loved The Ohio State Buckeyes.

He is survived by his siblings; Larry (Connie) Altman of Wake Forest, NC, William (Joan) Altman of Delta, and Velma (Randy) Hull of Liberty Center; many nieces and nephews; and his COREE family, Angie, Victor, Tracy, and Renee.

Visitation will be held at Rodenberger-Gray Funeral Home, Napoleon on Sunday, August 9, 2020 from 2:00 PM until the time of funeral services at 4:00 PM. A private interment will take place the following day at Shiloh Cemetery,

Liberty Center. Please feel free to wear your favorite Ohio State clothing to celebrate Altie.

Memorial donations are suggested to Rodenberger-Funeral Home to help defray burial costs. Online condolences may be made at [rodenbergergray.com](http://rodenbergergray.com)

“ *What a sweet gentleman. The first time I met Lloyd was around 1960 on the Fourth of July.. I was about 7 and Lloyd was about 11. One thing for sure was that it was the very day his baby sister, Velma, turned 1 year old. Born on the fourth of July. What year was she born? Well, it was that next year.*

*Lloyd's Uncle Lowel and Aunt Donna invited me to go along with them and his cousin Rennee to Lloyd's family's house for The Fourth of July. I believe they lived on the river in Napoleon. Rennee and I had SO much fun playing "Boys chase the girls". (:*

*And then it came time for the one-year-old baby's birthday party; Velma. I think she blew out her candle and we had cake. But the one thing I remember for sure is that darling little one year old in her high chair for the celebration. Then off to bed for the baby's nap; and we girls, Lloyd (as we called him) and the other kids went right back to playing. Such a fun day.*

*Occasionally I'd see Lloyd at his Uncle Lowell's house but we never had as much fun again as that first day I met him on that Fourth of July.*

*That little one year old sister grew up to be the best sister EVER! I think she is most responsible for creating a loving, fun-filled life for Lloyd.*

“ *When my kids first started taking animals to the fair, Lloyd would always ask about their animals. When lunch time rolled around he always seemed to find us and asked if he could eat with us. This continued until all of my kids graduated and no longer took animals. It didn't seem right if he didn't eat with us. He is greatly missed!*
