“ *Luetta was such a sweetheart, truly a one of a kind lady and I feel blessed to have cared for her the last couple of year's! Luetta loved her eggs, toast and especially bacon in the morning!!! She loved baseball and sporting her new baseball shirts that her family bought her! It makes me smile thinking of when she started using her little scotter, she looked at me with the biggest grin, she said I had to learn how to drive this thing and take a test before I could use it?? She will be missed by all her knew her. To her family: Big hugs to you all! Love April*
