“ *I do not remember meeting you. Seems you just was always there. Church every Sunday, a classmate to my mom. I grow up know you as, Malinda Strayer. Then, The Swanton Coliseum, all through family and friends. And that's where I got to know Tim and Ted. Little did we know back then, the father of my children would be your brother. You became my sister-in-law "Linda".* ”

What I do remember is your unconditional love for your baby brother. You did what big sisters do...Loved him and protected him all of the way.
