“ Our family was so sadden to learn of Marc's passing. We have great memories associated with Marc and the NAC program and the Napoleon Swimming program. He was always a welcome, kind, helpful member at the swim meets...and just a great guy to be around.

Our condolences to Jeni & Alison and their families.

“ I wanted to say how sorry I am to hear that Marc passed away last week. I often think about the many times that he and I would fish together when he came to visit here in Virginia. Very often the weather was not very accommodating but we always managed to catch some fish and have a great time. As I recall he had never fished for brook trout until fishing with me in the little mountain streams (Simpson's Creek, Guy's Run, North Fork of Buffalo and Goochenaur's Branch). He always marveled at how beautiful native brook trout were. We never caught one bigger than 9 inches but he was always pleased when we landed some.

Please pass on our sympathies to Elda and Marc's entire family.

*Very Sincerely,
Lee Dewald, Lexington, Virginia*

*We will never forget how surprised he was when Elda had his 70th birthday party. He was so happy that day. You really did it Elda! He could not believe all the friends and family that was there. Will always remember his smiling face that day. We will miss him.
