“ Mary, John and family, you have our deepest sympathy. Your Mother would always ask how my sister Elvera was doing. She would usually have a story to tell of their school days together. Will miss seeing her at St. Luke's luncheons.

“ Sending our love to the Badenhop family. Aunt Marcella was my godmother/sponsor. I will never forget all the wonderful fun times growing up at their home - playing softball in the yard, "Ghost comes out at Midnight", homemade ice cream, pony rides and as we got older -the butchering. Will miss her and her smile! Love you all! <3

Karen, you said it well. I too am a Godchild, and have those same memories. I spent several weeks there in the summers going to Bible School with the cousins. I will miss her kindness and laughter, and her presence in our family. Sympathies to the entire family.💔😭🙏

“ Marcella was a wonderful person. My first memories of her was when I was a student at St. Lukes School with Patty, Keith and Ken. She was always there to support the students whether it was our school plays, track meets, or the Ladies Aid lunches for us. I will always have fond memories of your mother. Jerry Dehnbostel
