“ To the Elling Family,
So sorry for the loss of Sally. I worked with Sally at Tenneco (Gould when I hired). I remember she was so helpful in teaching me the job. After she retired I was always so happy too see her whether it would be at the Delta American Legion for breakfast or just out and about. Always having a smile on her face. I will miss seeing her.
God's comfort to all of you.

“ So sorry to hear of your loss. I remember some good times I had with your family. I was also glad to see and talk with her after we moved to Tedrow. We have moved from there and it is not possible for me to make a last visit. I will be thinking of all of you.

Thanks so much Karen. I have heard many times about her seeing you at Tedrow Auto. I think you were both surprized.
