“ *Uncle Ken and Mary Kay,*

We are deeply sadden and you have our sympathy on the sudden passing of Marilyn.

My first memory of a 4 year old boy was attending Marilyn's and Ken's wedding and reception. Always enjoyed visiting them and talking about the good old days in Holgate. Time spent with her will be cherished forever. God bless the Rayle Family.

“ *Ken, I am deeply sorry to hear of Marilyn's passing... I will always remember her work on the Linotype and still have the slug she made with my name on... You certainly made her happy with all the traveling and companionship you shared. You and she enjoyed life and now she rests in Our Lord's arms. Peace...*

“ Aunt Marilyn was one of the most gentle person I ever knew. I never once heard her raise her voice or say a harsh work. Always kind and very good to her family. Couldn't beat her baking skills either. Hugs to every member of the family. Bev and Tom Hancock
