“ Aunt Puddy was a fun person to be around and she loved to play jokes on the nieces and nephews. She loved her family. I remember at the family reunions that all the Aunts and Uncles would play softball with us kids at Providence Park in the lower field after we all had lunch and Aunt Puddy would be right in the thick of the fun. We miss those days and we will miss Aunt Puddy. For the longest time I never knew her real name she was always Aunt Puddy. My mom still called her 'Pud' when she talks about her. Love and prayers to the family from the Baldwin side of the house.

“ There are so many memories of my Grandmother but I can remember one night when my sister Chandra and I were staying at Grandmas and we had just got done eating and Grandma let her dog Bridgette lick the plate and then jokingly put it back in the cupboard made sure we seen it get put in the cupboard not washed and walked away. Later on she then removed the dirty plate and washed it but Chandra didn't see her take it back so when Grandma and I woke up there was Chandra in the kitchen washing ever dish in the house because she said she wasn't eating after a dog. So my Grandma could be a jokester. Oh how you will be missed my beautiful grandmother we love you so much!! ❤️❤️
