“ *Tim and Mike
I am praying for you and your families. Please know that your mom and dad were like surrogate parents to many of us young wild eyed Christian fanatics back in the 70s and 80s. Their kindness and welcoming us to your home in the country helped to keep us grounded. I have many memories of times there. Now they are united again in their heavenly reward, members of the Church Triumphant!*

“ This special lady will be missed so much! Her heart was so big & over flowing with Love for anyone that she met. My mom went to Heaven 3 wks ago & I know she was waiting at the gates to give her a big hug. We know she is in Heaven with all her family & friends getting hugs & more Love. She will be sadly missed.
