“ *Being apart of Marlin's life and making a new friend was in a short time but a true blessing to be able to help care for a wonderful, strong, humorous man. The time and words that we shared will never be forgotten and a forever memory.*

“ To my Cousins The Wyse Family. I think of Uncle Marlin with such fondness. My best memories of him are when we would come to your house for Thanksgiving or Christmas and he would get out the projector and start showing the slides. Oh my word....those slides! ! Where did he get all those.? They would always make me laugh. I also appreciated how he brought Grandpa out to see Dakoda after he was born. If he hadnt, Dakoda would have never met him. I will be forever ever grateful.
