“ I lived next door to Mary for 6 years. My brother and I used to always make sure that her snow was removed. She said she always knew it was us because we were always so helpful. I loved visiting and hearing about her late husband or grandkids.

“ To Mary's Family, I had known your father from High School but had not met your mother until she and my husband were at The Lutheran Home at the same time. I always appreciated her so much. I met her in the hall frequently when I came to visit Ted and she always had some question or some witty remark to make. A real joy. I had missed seeing her recently but had not expected to see her name in the obituaries when I did. I'm sorry for your loss. You certainly have my sympathy. She was a delight and will be missed.
