“ My sympathy to all the Morris family. I had the great pleasure to have Mary in my life if only for a short time. I transported her to and from dialysis with Integrity. We had some nice conversations and looked for the red cars. She loved red cars. Hopefully she will have one in Heaven. It was a pleasure to get to meet her children who were very caring for their mother. By this I know that she was a very caring person who will be sadly missed. Know that she is watching over you all.
