“ Vicki and I were second cousins and spent many hours together back when we were kids. .I still laugh when I think of the Halloween that Vicki, my brother Gene and I went trick-or-treating in Hamler. Someone asked who we were and Vicki piped-up.. I'm Zicki, and these are my cousins Zenie and Zimmie..I also recall Vickis mom taking us along to Napoleon. She went inside and we waited in the car. (You could do that back in those days). Well, Vicki and I started blowing the car horn. Out of the store comes her mom, Helen and gave us both some good whacks..Then there was the time that Vicki and I were playing on the swing set in her back yard. I got my feet caught and was dangling there like a chimpanzee until her dad, Frank came out and liberated me..I had not seen Vicki in many years, but thought of those childhood incidents and smiled over them many times..God Bless, Vicki###imported-begin##Jim Guelde###imported-end##

“ Vicki was one of the nicest ladies in our neighborhood when I was growing up. Us kids were always welcome in her home. I remember how much she did for us when our house burned 26+ years ago. She was one of my mom's best friends and there for her when my parents divorced. What a giving person she was who will be terribly missed. You have my deepest sympathy now and the months and years ahead.###imported-begin##Lori Parsons Adams###imported-end##
