“ Worked with Maury at Mitchell Farm Equipment in the early 70's. I was fresh out of high school and he was a great mentor ! He was a live-wire, and always had hunting and gun stories ! Prayers for your family. Respectfully, Michael N. Meyer

“ Sorry for his passing, I had pleasure of knowing Maurice & his Wife, I did a lot of Electrical work for them, he even had me working on his combine. We shared many stories of hunting & baseball, sometimes even over lunch in town at the corner tavern in McClure with the other local farmers.

“ Ron, Randy, Cheri,
So very sorry to hear of the passing of your father. I remember all of the family trips we used to take together as families. What fun!! Lots of memories working on the pickle harvester, your Dad was so funny , couldn't understand how I could get motion sickness sorting pickles. My Dad and yours were great friends.
Deepest sympathy!

“ Uncle Maurice taught me how to fish and threw me the first curving baseball I had ever seen. I remember him being as enthusiastic about fishing as he was about baseball. Bernard Erven
