“ Mary Elizabeth has always been my very favorite first cousin. She had such a sweet and gentle way about her, always smiling, kind and concerned about others. She dearly loved her family. She and I had many conversations and a lot of good laughs over the past several years. She loved to reminisce about Hedgesville and 'Grampap Avey' and some of his antics. She was so very pleasant to talk to and I always hated to end our conversations. I know that she will be missed by many friends, family, etc., but please take condolance in the fact that her struggle in this Life is over. We will meet her again 'over yonder'.
